What are the priority values and  
impact areas for NYC Chinatown  
Welcome Gateway?

We want to hear from you! Mark your preferences with a dot and leave any additional comments on sticky notes.

A Chinatown Gateway should tell the community's history and celebrate its cultural heritage.

Add voting dot here

A Chinatown Gateway should be a marker that accounts for the space around it and creates a plaza for the surrounding communities.

Add voting dot here

A Chinatown Gateway should create a visitor guide point that provides wayfinding into the neighborhood.

Add voting dot here

A Chinatown Gateway should avoid telling a story that creates a stereotypical representation of Chinese Americans.

Add voting dot here

A Chinatown Gateway does not need to be a single gateway but multiple gateways that create an experience.
